

EMURGO's CIO Manmeet Singh to Speak at Upcoming Binance Blockchain Conference in Singapore

EMURGO's Chief Investment Officer, Manmeet Singh, will be a speaker at the upcoming Binance Blockchain Conference in Singapore, along with other leading cryptocurrency experts from the industry. Mr. Singh will speak on a 3:45pm – 4:20pm panel on January 21st entitled: "STO is the New Black: Just a Fad or a Tool to Restore Trust in Crypto?" Manmeet and other panelists will share their experience, and insights on the blockchain ecosystem and relevant topics.

Manmeet has a strong background building businesses from scratch across the banking, investment advisory, education, trading and technology industries over the past 20 years. Based in China and Japan since 2003, Manmeet actively mentors technology startups through Asia and Europe, and has focused his investments in the blockchain space, making him today the manager of over 1 billion USD in investment funding.

The Binance Blockchain Conference is a two-day summit on January 21st and 22nd that is part of the larger Binance Blockchain Week, taking place from January 19th to 22nd, 2019. It brings together more than 70 speakers including industry-leading regulators, investors, academics, entrepreneurs, and technologists to discuss today's blockchain ecosystem and encourage sustainable growth in the industry.

With over 2,000 attendees expected from around the globe, Binance Blockchain Week promises to be a great conference for anyone attending, and especially those wishing to learn more about EMURGO and what the company has been doing to drive the adoption of Cardano and add value to ADA holders!

Join EMURGO for the panel discussion on January 21st!

About EMURGO

EMURGO drives the adoption of Cardano and adds value to ADA holders by building, investing in, and advising projects or organizations that adopt Cardano's decentralized blockchain ecosystem. EMURGO leverages its expertise in blockchain R&D as well as its global network of related blockchain and industry partners to support ventures globally.

EMURGO is the official commercial and venture arm of the Cardano project, registered in Tokyo, Japan since June 2017 and in Singapore since May 2018. EMURGO is uniquely affiliated and works closely with IOHK to grow Cardano's ecosystem globally and promote the adoption of the Cardano blockchain.
