

# EMURGO's CIO Manmeet Singh to Speak at Upcoming DC Blockchain Summit in Washington, D.C.

EMURGO's Chief Investment Officer, Manmeet Singh, will be a speaker at the upcoming DC Blockchain Summit in Washington, D.C., along with other highly influential figures from the industry. Manmeet will speak on a 9:25 - 9:45 am session on March 7th entitled: "Fireside Chat: The Future of Tokenization". Manmeet and other speakers will share their insights on the blockchain ecosystem and relevant topics.

As Chief Financial and Investment Officer at EMURGO, the official commercial and venture arm of [Cardano](#), Manmeet spearheads its global strategy focusing on building the accelerator, education and investment units of EMURGO. As a tech geek, he went from an interest in blockchain and its worldwide impact to actually running, mentoring and investing in blockchain businesses. Manmeet now holds a number of active positions in the blockchain space: he is Council Member of the Cardano Foundation, Founding Member of [Blockchain for Europe](#), Co-Founder of [Y2X](#), Advisory Board Member at [Blog](#) as well as Managing Partner of his private fund, Blockseed Ventures. He also is Managing Director at EMURGO & [SOSV](#)'s newly launched [dLab](#) blockchain accelerator.

The **DC Blockchain Summit** is a two-day event on March 6th and 7th, 2019. The Summit will feature discussions with innovators and technologists from around the globe, including in-depth conversations with policymakers and regulators on the issues impacting the growing blockchain landscape. It is among the most distinguished blockchain events, bringing together the world's leading executives and technologists all with a common interest in or passion for blockchain technology.

EMURGO strongly believes in the future of blockchain ecosystem. We recently made an announcement of a strategic partnership with Y2X, a leading digitally-friendly merchant and investment bank that will help entrepreneurs raise capital for expansion through Securities Token Offerings (STOs). EMURGO is dedicated to furthering the adoption of blockchain, with dedicated developers to help build your business on Cardano blockchain technology. Should you be interested, feel free to reach out to our team at <https://emurgo.io>. Also, don't forget to follow our social media accounts and sign up to the EMURGO Newsletter to always receive the latest news from EMURGO!

This will be a great event for anyone attending, and especially those wishing to learn more about EMURGO so write down the session on March 7th, 2019 in your calendars:

### **About EMURGO**

EMURGO drives the adoption of Cardano and adds value to ADA holders by building, investing in, and advising projects or organizations that adopt Cardano's decentralized blockchain ecosystem. EMURGO leverages its expertise in blockchain R&D as well as its global network of related blockchain and industry partners to support ventures globally.

EMURGO is the official commercial and venture arm of the Cardano project, registered in Tokyo, Japan since June 2017 and in Singapore since May 2018. EMURGO is uniquely affiliated and works closely with IOHK to grow Cardano's ecosystem globally and promote the adoption of the Cardano blockchain. To learn more about the project, visit the [EMURGO website](#).
