Top 3 Best Sources for Cardano Progress Updates

If you have recently spent time scrolling around the various Cardano social media platforms, you've probably heard of the changes to the Cardano roadmap and on cardanoroadmap.com. According to IOHK, the technical engineering company responsible for developing Cardano, they "will be launching an exciting new roadmap which showcases the Cardano 2020 vision *after the IOHK Summit...*". As we all excitedly await the IOHK Summit on April 17th and 18th —this change means that EMURGO's Sebastien Guillemot's Cardano video updates will no longer be posted on cardanoroadmap.com.

As R&D Engineering Lead at EMURGO, Cardano's commercial arm, Sebastien's deep dive monthly video updates would generally appear on [Cardano Roadmap](https://Cardano.Roadmap) whenever there were new updates to the Cardano roadmap and the videos were a go-to source for the community to stay clued in to the latest developments!

So where can you now find the **Cardano video updates**, you ask?

Never fear — EMURGO is here to help so that you never miss a beat on Cardano video updates! We decided to give our followers a **list of the top 3 best sources** to get Sebastien's Cardano video updates below.

1. EMURGO YouTube

EMURGO's YouTube channel is now the first stop for Sebastien's Cardano video updates. His monthly Cardano roundup is recorded and released on this platform first! To subscribe to [EMURGO's YouTube channel](#), click the subscribe button [here](#). While you are there, be sure to check out Sebastien's latest video update, the **March Cardano Video Update**! There were so many updates on Ledger, dLab, Yoroi and more!

If Twitter is your thing, then give account a follow to keep up to date with Cardano's monthly video updates. It is a great place to learn the latest about not only Cardano but also the latest about EMURGO and [Yoroi developments](#) too. Sebastien will also be featured as a guest speaker on behalf of EMURGO at the IOHK Summit alongside 40+ world-renowned experts in cybersecurity, cryptography, functional programming, formal methods, and more. We're sure he'll provide great coverage there. While you are at it, follow [emurgo.io](#) too.

With over 70k followers and counting, Reddit is a great source to receive all things Cardano in news style format. Look out for the "EMURGO" text in the captions and or flairs of the username profiles to find EMURGO content. Sebastien's Cardano monthly video updates will be posted there. Come

By the way, if you follow EMURGO on social media, you may have noticed that we freshly revamped our website! We are revamping from top to bottom and dedicated to presenting the new EMURGO to our community, potential partners and hires. We will continue to release more new videos and engaging content in the near future. Please subscribe and follow us on , [YouTube](#) , and .

About EMURGO

EMURGO drives the adoption of Cardano and adds value to ADA holders by building, investing in, and advising projects or organizations that adopt Cardano's decentralized blockchain ecosystem. EMURGO leverages its expertise in blockchain R&D as well as its global network of related blockchain and industry partners to support ventures globally.

EMURGO is the official commercial and venture arm of the Cardano project, registered in Tokyo, Japan since June 2017 and in Singapore since May 2018. EMURGO is uniquely affiliated and works closely with IOHK to grow Cardano's ecosystem globally and promote the adoption of the Cardano blockchain. To learn more about the project, visit the [EMURGO website](#).
