Nicolas and Sebastien will speak together on a 12:30 - 1:00 pm session on April 18th entitled: "EMURGO Roadmap" on the Main Stage. They will cover the future roadmap of EMURGO, including introducing our most popular products - Yoroi & Seiza, as well as our recent partnerships such as the recently launched dLab blockchain accelerator program. They will deep dive into the program by introducing one startup and one fellowship from the program. This will be a valuable chance for the community to meet with the EMURGO tech team and several other blockchain and cryptocurrency industry leaders. It's a great opportunity to network and learn about the ecosystem, conduct investment meetings and meet with the press!
